

Dear Sandwich Connoisseur,

We are incredibly humbled by the popularity of our sandwich bar.

However, we are experiencing limitations. Our hands won't make sandwiches as fast as the orders arrive.

Do not let this detour you from placing an order. They are absolutely worth the wait!

It is our goal to have your order ready to go within 30 minutes. Orders for more than 5 sandwiches may require more than 30 minutes depending on what is already on the order board.

Our very best,
Your Sunshine Team

ps Many times it's just a 5 minute wait, but that is not during lunch rush.
